Started Small

- ➤ Boone County and City of Columbia was the initial pilot area to load into the NAD
 - >85,698 Addresses (11/12/15)

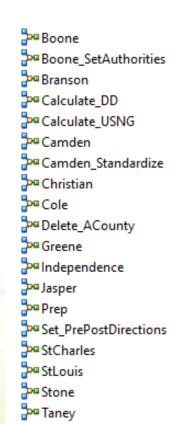

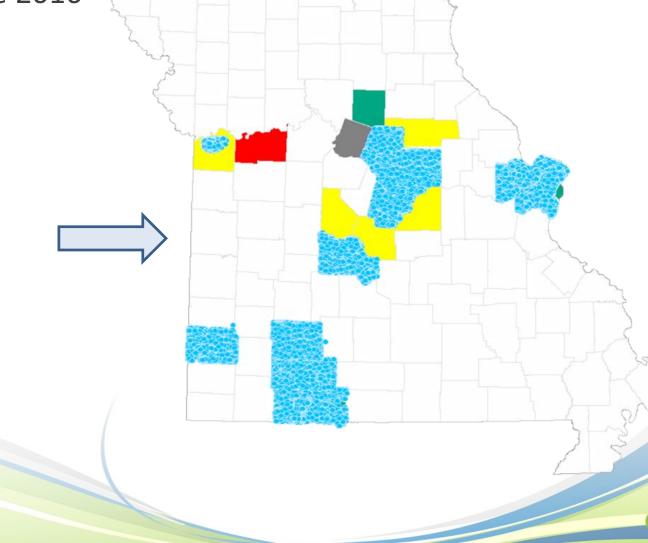

Current Status

Expanded the effort to collect address data from counties and cities statewide in June 2016

> 11 Counties & 3 Cities

> 1,309,598 addresses and growing

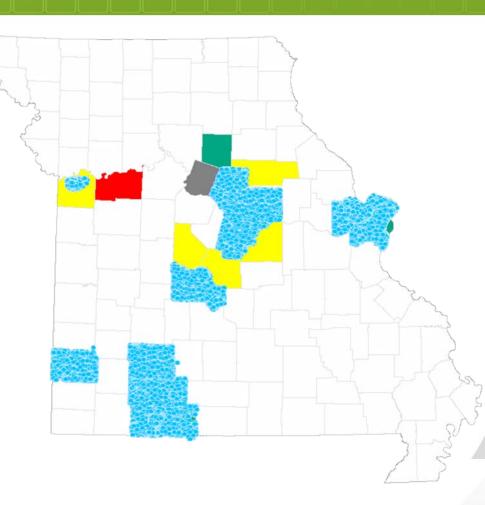

Future...

- > Targeting high population areas
- Looking into grants or ways to provide seed data to get the 'have nots' started
- Coordinating efforts with GIO's Office and State Demographer
- Currently doing updates every 6months
